This workshop suits beginners who want to learn new crafting skills and decorate their homes with a little green air plant! You will learn glass cutting and 3D shape soldering techniques, and you can personalise the holder by creating different patterns or texts on the glass surface. When you finish, you can place the selected air plant to put it in the holder. Our instructor will also share the plant care tips after. It would be the perfect gift choice for anyone.

想在家中加點綠之餘學習到新手作技巧？我們的空氣草空中掛飾工作坊便合乎了你的要求。導師會教授學員玻璃切割及焊接立體造型等技巧，學員可挑選玻璃色彩及在玻璃器皿上 DIY 出不同圖案或文字。最後，學員可自由選擇放上空氣草或其他小植物，十分適合送禮或點綴家局用途。
